"Munitions are running short and the hope of obtaining fresh supplies from Germany through Rumania and Bulgaria has been abandoned. The exodus from the capital continues and the removal of the seat of government to Asia Minor seems virtually decided upon."

Defenses Are Prepared.

"Except for a few shots the 28th and the reported bombardment of Turkish positions near the Gulf of Saros by the Queen Elizabeth there has been no fighting recently in the Pardanelles region. "The British public, which may have taken too light-hearted a view of the campaign against the gates of the Turkish empire, will have to exercise patience and be prepared to accept heavy losses with equanimity.

## Real Money For Photographs of Your Interesting Friends

UR Sunday Magazine is beginning a new department of interesting folk, to be made up of pictures and little stories about ordinary men and women who have done interesting things.

You have friends who are worth telling the world about; not famous friends-there are to be no well worn faces, no

twice-told tales, in this department. The pictures and stories are to be of everyday Americans, each one of whom has done some one thing wellwhether it be preaching a better sermon than other men, or rearing a better family than other women, or making a better mousetrap.

For these pictures and stories our Sunday Magazine will pay real money. Read about this chance to make money and to make a friend of yours famous at the same time. The announcement is in the next
